Dear Caring Friends at Jeffrey's Choice:

Thank you for your donation of \$1,500.00 (Check #300) given to the Food Bank of North Alabama on December 26, 2017. We deeply appreciate your choice to provide food to those in need—from children to seniors in *eleven counties* across north Alabama.

With each dollar you gave, you provided nearly five meals to our region's most vulnerable citizens. Your help means we can supply over eight and a half million pounds of food this year to feeding programs across north Alabama including emergency food pantries, shelters and backpack programs, which provide two-day meal kits to elementary school children at risk of hunger.

Together, we're helping over 80,000 people—more than the populations of Decatur and Muscle Shoals combined. In recent years we have seen an increase in the number of families seeking food assistance—many for the first time. Your gift not only helps us feed the increasing number of children and families without enough to eat – it also supports the proactive ways we work to end hunger by connecting local farmers to new markets and creating greater access to healthy food choices for all residents.

We are very fortunate to have partners like you. Your dollars stay here in north Alabama— assisting neighbors in distress and helping support thriving family farms in our region. Thank you so much for your dedication to our community and your commitment to ending hunger in north Alabama!

Sincerely,

  
Shirley Schofield  
Executive Director
