Dear Mr. Johnson,

Jeffrey's Choice's generous gift of \$1,500.00, received on April 4, 2017, will help FeedMore provide 6,000 meals to food insecure families throughout Central Virginia! On behalf of all of us here at FeedMore and our thousands of clients, thank you very much for your continued support.

For the majority of our clients, food insecurity is caused by a sudden and temporary crisis that can be difficult to recover from without help from the community. Our clients have to make decisions between paying rent and buying groceries, between purchasing school supplies and giving their children a healthy dinner, between buying vital prescription medications and a nutritious diet. Whether they are experiencing a medical emergency, have been laid off from a job, or had their car break down, these families are able get back on their feet much quicker through your generosity.

FeedMore's comprehensive hunger relief programs are targeted towards feeding children, families and seniors in the Central Virginia region. FeedMore's Distribution Center supplies more than 300 partner agencies with groceries ranging from shelf-stable canned goods to fresh produce and meats. Homebound and disabled seniors receive freshly prepared meals from volunteer delivery drivers through FeedMore's Meals on Wheels program, while those that are able to cook receive a box full of nutritious food. Children that receive free and reduced meals at school are provided with BackPacks filled with six meals plus snacks to help them make it back to school on Monday ready to learn. FeedMore's Kids Cafe and Summer Feeding Programs offer children healthy meals at afterschool and summer programs.

These vital programs would not be possible without your dedicated support of FeedMore's mission. Once again, thank you very much for thinking of our clients. Together, we are nourishing the community and empowering lives.

Gratefully yours,
